To whom it may concern:

Pursuant to Wisconsin Statute §19.31, I am requesting copies of the following documents in the possession of the Wisconsin Department of Natural Resources ("DNR"):

1. All "Responsible Party" letters relating to the landspreading of biosolids sludge in the County of Marinette, Wisconsin, including but not limited to letters containing the subject line: "Reported Contamination at the City of Marinette Waste Water Treatment Facility and Associated Fields Utilized for Landspreading of Biosolids Sludge, Marinette, Wisconsin." This request is for letter that include, but may not be limited to, the site identified as DNR BRRTS Activity #02-38-583856.
2. All sample results, tests, studies, reports, analyses and other correspondence relating to test results from wastewater zones and lines that discharge into the City of Marinette wastewater treatment plant, including but not limited to, any investigation related to such results.
3. To the extent not already provided in response to #2 above, all sample results, tests, studies, reports, analyses and other correspondence relating to test results from wastewater zones and lines that discharge into the wastewater treatment plant of any other entity whose biosolids were landspread on the fields identified in Appendix A, including but not limited to, any investigation related to such results.
4. All documentation relating to the subject of BRRTS Activity Number 02-38-583856 and/or the "2019-06-27" "Notification of Hazardous Substance Discharge" identified on the BRRTS site under Activity Number 02-38-583856.
5. A copy of the permit, permit application and any documents, including correspondence and meeting notes, relating to the permit and permit application, for any discharge permit(s) issued to the City of Marinette for the landspreading of biosolids, including but not limited to the permit identified as WI-0026182-09-1.

6. A copy of the permits, permit applications and any documents, including correspondence and meeting notes, relating to approvals to any entity to landspread biosolids on the fields identified on Appendix A, and all documents relating to the land application of solids, sludge, or water to such fields.

7. All documents relating to the City of Marinette sludge management procedures required pursuant to NR 204, Wis. Admin. Code, including but not limited to: identification of fields; all reports submitted pursuant to NR 204.06, Wis. Admin. Code, including but not limited to general information reports, characteristics reports, land application site evaluation information reports, notification reports, and certification of sludge quality records; biosolid, soil and groundwater sample results; applications for sites, and any approvals or denials of same; any sludge management plans; site evaluations; operations reports; and the identification of any land appliers and all related documentation.

8. Regarding any entity whose biosolids were applied on the fields identified on Appendix A, and to the extent not provided in response to #7 above, all documents relating to sludge management procedures required pursuant to NR 204, Wis. Admin. Code, including but not limited to: identification of fields; all reports submitted pursuant to NR 204.06, Wis. Admin. Code, including but not limited to general information reports, characteristics reports, land application site evaluation information reports, notification reports, and certification of sludge quality records; biosolid, soil and groundwater sample results; applications for sites, and any approvals or denials of same; any sludge management plans; site evaluations; operations reports; and the identification of any land appliers and all related documentation.

9. All information related to any investigation, study or review of potential sources of contamination that may be present on the fields identified in Appendix A, including but not limited to any sampling results, reports or analyses.

We agree to pay all reasonable costs associated with the request. If you have any questions concerning this request, please do not hesitate to contact me.

Sincerely,

Linda E. Benfield
